

AI products designer & manufacturer
IDM | ODM | OEM

2026

Development Process

2026

We are moving towards a broader future together with you !

2013

Exhibition for OEM
Build a team for production

2017

Officially initiated the ODM

Invested own lab in factory for QC team

More than 300 workers in production and 40 staffs in office

2021

Officially initiated IDM
Expanding the ODM and start IDM

2025

More than 80 private models
Expanding the IDM, successful created 5 designs for VIP buyers

2009

Established in 2009
Developing tooling & injection and selling plastic

2015

Focus on OEM
Private toolings up to 50

2018

Over 100 million turnover

Created some models for ODM buyers
